The WC 8th grade volleyball team lost in 3 to Rensselaer with the scores of 25-24, 14-25 and 10-15. The scores do not reflect it but it was a pretty good night. A few mental errors were made but the girls didn't give up! The growth from the 1st practice to our last game was encouraging! It was a very productive season and I hope to see you all continue on the volleyball path! Great job ladies! We would also like to say a big thank you to Miss Durie for coming to a few of our away games to keep our book! Above and beyond and we appreciate it!

The 7th grade volleyball team came up just short of a win for their final game last night. They played tough against an evenly matched Rensselaer team and lost in three sets with scores of 25-20, 22-25, 4-15. The 6th/7th grade "B" team ended the season with a win with a score of 20-14. Lyric Ross and Evelyn Libey scored several points with 4 aces each. All the girls played hard and proved how much they have improved this year! Great season ladies! I am so proud of how far you have come.
